Memorial Garden

remembrance and love*

THE RECENTLY COMPLETED MEMORIAL GARDEN IS WESTWOOD PARK'S NEWEST ATTRACTION

The Town of Lancaster has recently completed construction of its beautiful new Memorial Garden located in the picturesque setting of Westwood Park.

The Garden is nestled within a natural cluster of white and scotch pines overlooking the 3 acre pond. This setting was improved with the addition of 2,000 square feet of interlocking paving stones, a host of shrubbery and numerous perennials. The site also offers an operational sundial as its main focal point.

The garden was developed to be a place where people can spend time at peace in the park to recollect and enjoy the natural beauty.
